SET-UP CHARGE EACH TIME YOU ORDER CARDS.

Your customers promote YOUR business when they send a greeting card.

For just **\$5 per order** we will add your logo and URL to each card you select.

Cards are 5" by 7" and come with envelope in a clear cello bag.

All card interiors are blank so they will not limit the sale to a specific occasion.

With over 100 designs to choose from, it's easy to find cards that perfectly fit your business, whether you are a gift store, wine or coffee shop, cheese shop, deli, brew pub...

A great additional impulse sale to give with gifts.

Just email us your logo (JPG, PNG, TIF, or EPS), and web address.

Logo should be at least 400 pixels in the smallest dimension.

The larger the image, the better it will look.

We'll take it from there and customize each card in your order.

Tim Nyberg (left)

For over 30 years, Minnesota artist Tim Nyberg has been an illustrator and graphic designer for everyone from Fortune 500 companies to the corner retailer, from McDonald's to small cafes, for magazines, book covers, web sites, and his own humor books - most notably The Duct Tape Books.

During his eight-year relocation from the Twin Cities to Door County, Wisconsin, Tim returned to his first love - creating his own non-commissioned fine art (Tim prefers to call it "Fun Art"). In his paintings, you can easily see his commercial art sensibilities. Like his illustrative work, there is a thread of humor to everything Tim paints. Even his non-objective pieces are playful and fresh. Tim's quick to admit that he enjoys exploring and blurring the line between the two disciplines - especially without direction from an art director or client. He explains, "My overriding objective in my work is to visually entertain the viewer - to bring a smile, a chuckle or a brief moment of altered perception."

Tim relates to this quote: "God is really only another artist. He invented the giraffe, the elephant and the cat. He has no real style, He just goes on trying other things." - Pablo Picasso
